# Reduce Reneges

**Keep accepted  
students engaged  
before day one.**

## **EASY PILOT**

Don't build a new pre-start engagement strategy from scratch! Parker Dewey helps create an experiential learning program tied to your onboarding goals.

## **WHERE IT LEADS**

A successful pilot can become a repeatable pre-start strategy for interns, full-time early-career hires, or priority acceptance groups. It can also connect into onboarding, manager introductions, and first-90-day engagement planning.
