Micro-Internships

Get Experience. Get Paid. Get Hired.

Through Micro-Internships, students and recent graduates can demonstrate skills, explore career paths, and expand their networks. Unlike traditional internships, these opportunities are not tied to the academic calendar, tend to be remote, are short-term (typically 10 to 40 in total), and are deadline-driven as opposed to set during specific hours - perfect for early career talent with erratic or hectic schedules!
